Mark Reder-Yera
Staff Attorney
Indiana Gaming Commission

Mr. Reder-Yera:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes proposed by the Indiana Gaming Commission ("Commission") and contained in LSA Document 08-327. The proposed rule makes changes to 68 IAC 2-2-1(c)((7) that requires junketeers to hold a supplier's license.

The economic impact analysis for small businesses prepared by the Commission staff estimates that zero (0) small businesses will be impacted by this rule.

Since the proposed rule is not expected to affect any small businesses, it does not impose any direct costs or reporting costs on small businesses. The IEDC does not object to the fiscal impact associated with this proposed rule. If you have any questions about the comments contained herein please contact me at 232-8962 or rasberry@iedc.in.gov.
